

Wild Child Santa Cruz Presents

# PUTTING THE FUN IN FUNGI

WEDNESDAY, MARCH 12<sup>TH</sup> 2:30-5:00PM

At The Discovery Learning Center 111 Errett Circle Santa Cruz

What do mushrooms eat? What does it mean to be a decomposer? How can we work with mushrooms to clean water and soil? Come find out through a hands-on activity where we will make Mushroom growing kits that you can take home! The kits can grow delicious edible Oyster Mushrooms. Decomposer displays and books will be available to look at.

Geared towards kids ages 5-12, kids of any age welcome

Cost: \$10-20 suggested donation per mushroom kit. No one turned away for lack of funds
